| Tool weight | | 1.1 kg |

## Characteristics

Optimal use for fastening of fabrics, leather, foils, plastic and cardboard

Metal front housing for extra durability

Highest stapling speed for fastest working progress

Compact and lightweight design for optimal operation

Slim design allows to set staples as close as 4 mm to the corner

Dry-fire lockout system prevents stapler from driving when no fasteners are inserted in the tool

High dust resistance for enhanced motor protection

Shoots up to 15,000 staples with a 18V/5.0 Ah battery resulting in class leading run-time

Soft-touch handle for safe, slip-free handling

LED light for illuminating dark work spaces

## Versions[2]
