No-load chain speed	8.0 m/s (480 m/min)
Lubricating with chain oil	Automatic
Chain oil tank capacity	55ml
Saw chain type	80TXL-26E
Switch	Trigger switch
Dimensions L x W x H (w/o battery)	401 x 89 x 190 mm
Weight (w/o saw chain, guide bar, chain case, oil, battery)	1.1 kg
Chain replacement	Toolless
Vibration level	2.4 m/s ²
Sound power level	89 dB(A)

Accessory

381498 Telescopic handle

Features

Constant chain speed under load - for rough applications, allows high pressure load hence hard to stop

Safe working thanks to low vibration, the protective cover, handle protection and safety switch to prevent unintentional starting

Easy handling thanks to its compact design, low weight and rubberized grip areas

Pruning of high tree branches In combination with optional pole attachment

Brushless motor for high power, less wear and long service life. Easy-to-tense saw chain.

Versions¹

CS1810DD4WZ: 4966376416315 In Carton , chain case, guide bar, saw chain, lubricant oiler (50cc)
